

Celebrate Our Success

Hard Submission Deadline: April 28th

What: Open House to acknowledge the successes achieved by SWNI volunteers during the 2016-2017 fiscal year. We'll gather to view posters highlighting your neighborhood event, project, or achievement. Refreshments will be served!

Where: Multnomah Arts Center auditorium

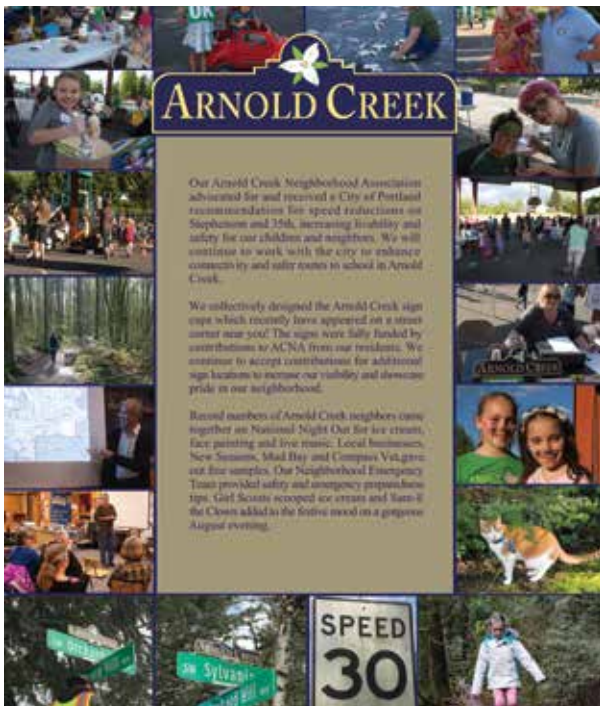

Date: June 5th, 2017

Time: 6:30-8:00 pm

Who: All SW Neighborhood Associations and SWNI Committees

Questions: Contact Sara Freedman at SWNI (503.823-4592 or sara@swni.org)

P.S. This event takes the place of SWNI's annual volunteer recognition dinner. Instead of highlighting individuals, we decided to focus on group accomplishments.

To tell the story of the project you're most proud of:

If you want SWNI to design your poster...

- Submit your poster photos/description to Sara Freedman at sara@swni.org
- Submit approximately 300 words and 5 photos by April 28th.
- Include captions for each photo.
- Include a title for the poster.
- If the photo captions tell the whole story, there is no need for the 300 word description.
- If you'd rather design your own poster, you're welcome to! Posters can be submitted on an 8.5x11-sized page, or at the final poster size of 28"x36".

Details you might want to share about your project:

- What you accomplished
- How many people attended your event
- Why this project was important or needed in the community
- How your project improved from previous years
- Who benefitted from this endeavor?
- What difficulties did you overcome?
