

Equity and Inclusion Committee

Board Report

February 22, 2017

The Equity and Inclusion Committee has not met since the January Board Meeting.

The signs have been produced and distribution has commenced. Please contact the SWNI office if you wish to make them available to businesses in your neighborhood.

TriMet has produced a document called their Equity Index Summary. This document may lead to some adjustments on their investment in SW Portland, as our community may rank lower than most others under this standard. The Transportation Committee may wish to further explore the impact this has.

A new group Portland United against Hate held a demonstration earlier this month. This group has received endorsements from ONI as well as other community organizations. Our committee further look into the group and evaluate the desirability of the extent of SWNI's involvement.

Respectfully submitted,

Glenn Bridger
